REQUEST FOR EXPRESSIONS OF INTEREST (REOI)

COUNTRY:	**Republic of Liberia**
NAME OF PROJECT:	**Liberia Women Empowerment Project**
PROJECT ID:	**P173677**
CREDIT/GRANT No.:	**IDA-7168-LR and E0910-LR**
ASSIGNMENT:	**Consulting Services for the Development, Deployment, Rollout and Post-Deployment Support for a Gender-Based Management Information System (GB MIS)**

REFERENCE No.: **LR-MOGCSP-546313-CS-CQS**

The Government of the Republic of Liberia through the Ministry of Gender, Children and Social Protection has received financing from the World Bank toward the cost of the **Liberia Women Empowerment Project** and intends to apply part of the proceeds for the **Consulting Services for the Development, Deployment, Rollout and Post-Deployment Support of a Gender-Based Management Information System (GB MIS) at the Ministry of Gender, Children and Social Protection (MGCSP)**

Objective of the Assignment

The objective of the consultancy is to develop and operationalize an integrated Gender-Based Management Information System (GB MIS) for the Ministry of Gender, Children and Social Protection (MGCSP) that will enhance the Ministry's institutional capacity to systematically collect, capture, store, manage, analyze, visualize, and report gender-related data and information.
The consultancy will cover the design, development, testing, deployment, rollout, user training, documentation, and post-deployment support of the GB MIS, ensuring that the system is scalable, secure, interoperable, user-friendly, and aligned with the Ministry's gender data and information management requirements.
The system is expected to improve the availability, quality, accessibility, timeliness, and use of sex- and gender-disaggregated data to support evidence-based policy and program planning, monitoring and evaluation, reporting, coordination, and decision-making at national and sub-national levels

- **Core business of the firm/JV/Consortium that is relevant to the assignment**
- **At least 7 years of general experience in design, development, deployment, and support of Management Information Systems (MIS), digital platforms, or integrated ICT systems.**
- **At least 5 years of specific experience implementing MIS or digital systems for government institutions, donor-funded projects, or development partner-supported programs.**
- **Have a proven record of successful completion of at least 3 similar MIS or digital system assignments within the last 5–7 years, of comparable scope and complexity.**

- **Have experience implementing at least 2 assignments for government institutions, donor-funded, or development partner-financed programs, preferably in the social, gender, GBV, or related sectors. Experience in West Africa is an advantage.**
- **Demonstrated experience in delivering end-to-end digital solutions, including system design, development, integration, deployment, training, documentation, and post-deployment support.**
- **Demonstrated experience in system integration, interoperability, data management, and scalable solutions for decentralized or multi-location operations.**
- **Evidence of capacity for knowledge transfer, user training, technical support, and preparation of system and operational documentation.**
- **Evidence of technical and managerial capability to complete the assignment (Provide only the structure of the firm, general qualifications, and number of key staff. Do not provide CVs of staff as Key experts will not be evaluated at the shortlisting stage.)**

The attention of interested Consultants is drawn to the fact that the selection of Firm/Consortium will be done in accordance with the World Bank's "Procurement Regulations for IPF Borrowers ("Procurement Regulations") dated July 2016, revised in November 2017 and August 2018, and updated in November 2020, September 2023, February 2025, and September 2025

Consultants may associate with other firms in the form of a joint venture or a sub consultancy to enhance their qualifications.

A Firm/Consortium of firms will be selected in accordance with the Consultant Qualification Selection (CQS) method set out in the IPF Procurement Regulations.
